Subject: Outstanding Responses to Press Inquiries/ITC fire

Evening y'all. By my count, we still owe you 3 responses to media inquiries regarding the ITC fire/Deer Park TX. We have responses for all except the one related to Enforcement. That one is still being worked out by our EN folks and we hope to have that one soon. The responses to the others (ASPECT passenger and continued ASPECT use/flights) are being coordinated internally and we should have them for you before noon tomorrow. Lmk any add'l Q's.

Also note, we have deployed Carmen Assunto as our PIO. She worked remotely today coordinating responses etc but she will report to the JIC tomorrow to assist our OSC's.
